

MODÈLE : CELESTA

INSTRUCTIONS D'INSTALLATION

Tools Required

Foret à maçonnerie de 6 mm Foret HSS de 3,2 mm

Perceuse

Niveau à Bulle

Pistolet à Mastic

Mètre à Ruban

Crayon

**Tournevis
De type PH2**

Veuillez ne pas utiliser d'outils à main **NON** fournis.

IMPORTANT

Ces instructions supposent que l'installation est effectuée contre des murs pleins/carrelés.

Les chevilles fournies avec le kit d'installation sont destinées à être utilisées sur des murs pleins. Les murs creux ou les cloisons à montants nécessiteront des fixations alternatives. Veuillez consulter un professionnel ou un fournisseur de quincaillerie réputé pour connaître le type de fixation approprié.

Il peut également être nécessaire de consulter votre fournisseur de carrelage sur la méthode appropriée pour percer voscarreaux.
